

Taqueria Quest-Le Pixel

WELCOME TO TAQUERIA QUEST LE PIXEL !

We are happy to welcome you and we hope you will have a great time among us. Here is some information that will help you enjoy your visit entirely

ORDER YOUR MEAL

Every order is directly at the bar. Drinks are usually served immediately when you order. For your main dishes, a pager will be given to you and will warn you when it's ready. When it rings or vibrates, you just need to pick up your order next to the cash register, right under the big panel. Once you pick it up, put the pager on the pile, so it stops beeping automatically and can be reused. Flatware is on self-service in the white container, and you will find towels directly on your table or at the bar.

OUR MENU

Our menu is available all year long. In addition to this one, we regularly offer daily specials prepared according to current craving. These specials do not figure on the menu : you will find them on the blackboard on the terrace or at the bar

DRINKS

In accordance with regulations, hard liquor can only be served as an accompaniment to a meal. Furthermore, as our establishment is located right across the conservatory, which is considered as an educational institute, beer sales are authorized during catering hours only, as well as weekends, public and school holidays. We thank you for your comprehension.

BOARD GAMES

Board games are self-service so you can extend your moment of relaxation. We simply ask you to be careful towards them and to not mix them up or lose pieces. Therefore, it is highly suggested to borrow them one at a time. When the weather is favorable, it is possible to use the board games outside, on our terrace. We simply ask you to stay vigilant about the wind and little pieces that can easily be lost. If a game appeals to you, note that a selection is also available for purchase. Feel free to ask for our prices at the checkout, we will be pleased to provide you with information.

FOR FAMILIES

A high chair is available for the youngest guests. Feel free to ask a member of our team for it

BEFOR YOU LEAVE

To help us keep a clean and pleasant space for all, we ask that you clear your table, by returning your trays, dishes and trash to the designated waste bins, or directly at the left of the bar

**The entire team of Taqueria Quest Le Pixel wishes you an excellent meal and a great time playing games.
Thank you for your visit, and see you soon !**
